## — THE REDESIGN

### *Utmost luxury*

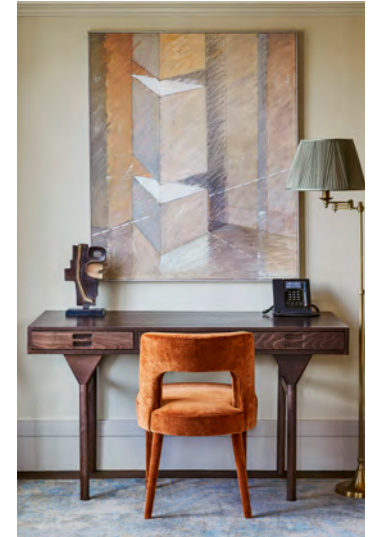

De L'Europe went through a complete redesign in 2020, bringing in all modern luxuries while still honouring the rich history. Dutch-based interior designers 'The Nicemakers' were responsible for the restyling of the public areas, private event rooms, three restaurants and the bar as well as the rooms. The goal of the redesign was to create a timeless classic interior design that feels familiar at the same time. In the same year the opening of the creative wing, 't Huys, was announced. Welcoming a new era of Original Amsterdam Luxury, it is now the perfect home for lovers of all things true and beautiful.
