A Bensley Collection

With just 29 suites, Shinta Mani Mustang - A Bensley Collection, is perched high above the town of Jomsom at the gateway of Mustang, an isolated kingdom which was previously forbidden to outsiders for centuries. This almost mythical region with its dramatic landscapes is hidden in the Kali Gandaki valley between the Annapurna and Dhaulagiri Mountain ranges. It is one of the deepest valleys in the region and one of the most unique and preserved regions in the world.

“Mustang” in Tibetan, translates to “Plain of Aspiration”. It is bordered by the Tibetan plateau with an elevation that rises from 1,372 to 8,167 meters above sea level.
