CLUB 1897 REQUALIFICATION

Travelling in Style since 1897

In order to retain Club 1897 membership annually, we ask you to work with us and fulfil the following criteria:

PRODUCTION

As of 2024 members will be required to reach a minimum threshold of revenue - this will be advised

We shall also honour third party bookings as measurement if you provide us with the details proactively

MARKETING

To support our Club 1897 partnership marketing activities we request that as a minimum you place the logo on your website and signature - other joint marketing to be discussed and agreed

TOP PERFORMERS RECOGNITION

We shall be hosting our top performers annually to attend our exclusive Club 1897 events and activities

Our Sustainability Approach

We believe that we are conscious of our responsibility to create a sustainable yet luxurious guest experience that is respectful of the environment.

Our mission is therefore to deliver uncompromising luxury while ensuring a minimal environmental and social impact.

Kempinski is actively participating globally the award-winning EarthCheck Certificate programme, is one of the founders of the BE Health Association and a proud partner of Clean the World.
