Kenya Airways and Delta Airlines Partnership

- Kenya Airways (KQ) and Delta Airlines have expanded their codeshare agreement, allowing customers of the pair more travel options within Africa and the United States.
- KQ currently operates a daily service connecting Nairobi to New York, it is the only nonstop flight from East Africa to America.
- The expanded partnership also offers customers additional travel options within the U.S. and increased flying opportunities within Africa increasing customers' travel options to more than 31 destinations in Africa and 57 cities across the U.S. and Canada.
- Frequent flyer customers of Kenya Airways' Asante Rewards or Delta's SkyMiles programs also earn miles on the services.
