WELCOME

Little Beach House Barcelona is a beach-facing private members' club that occupies a 1950s building in Garraf.

The House features 17 bedrooms of various sizes, a rooftop garden, a restaurant serving Mediterranean food all day with an open kitchen and fish counter, sun loungers on the beach, club spaces and a terrace with views out over the sea.

The design has Spanish and Catalan influences, and in keeping with the casetas del Garraf beachside huts, the façade has green and white stucco walls. The rooms have red and white triangle-patterned tiled flooring, specially-designed rugs, lamps made by a Barcelona ceramicist, and tapestry wall hangings by artist Maryanne Moodie.

BEDROOMS

Spread over two floors, our 17 bedrooms have been individually designed with balconies overlooking the Mediterranean sea and the Garraf landscape.

They all feature double and super king-size beds with Egyptian cotton sheets, walk-in rainforest showers, complimentary wifi, a minibar, tea and coffee facilities, homemade biscuits and a range of Cowshed products.
