

## **Rollover Rates for 2026**

The rollover rates for 2026 applicable to Six Senses Laamu and Six Senses Kanuhura, pending the release of the new contracts later this year:

- The current contract rates have been adjusted to reflect the 1% increase in TGST. This adjustment applies only to peak, high, and low seasons, while the shoulder season remains unchanged, as it was already revised in the updated contract issued for the GST and Green Tax amendments.
- Attached is the rate grid outlining the adjusted rates for the rollover period in line with the TGST increase.
- Seaplane transfer rates, effective from October 1, 2025 remain as follows:
  - **Six Senses Laamu:** USD 1,209 for adults, USD 706 for children
  - **Six Senses Kanuhura:** USD 695 for adults, USD 419 for children
- Contract offers remain unchanged, and for the high season, the current tactical offer, including complimentary half-board, will continue to apply during the rollover period.
- All other rates and conditions remain consistent with the revised contract issued on December 1, 2024 following the TGST and Green Tax amendments.
