

## UPDATE REGARDING INCLUSIONS AT SEVERAL ELEVEN PROPERTIES:

House alcohol is no longer included at most locations. Instead, guests can now enjoy an expanded, curated bar selection to choose drinks that best suit their preferences.

There are a few exceptions: a full house alcohol selection will continue to be included at no additional cost at our Chilean angling property, [Martin Pescador Lodge](#), and our New Zealand angling properties, [Cedar Lodge](#) and [Owen River Lodge](#).

A partial house alcohol selection (beer and wine) will continue to be offered at no additional cost at our beautiful Chilean property, [Rio Palena Lodge](#).

Please see **some additional property specific changes below**.

Please note these changes only apply to new reservations.
