SMALL  
LUXURY  
HOTELS  
OF THE WORLD

# Located on a jaw-dropping cliff top overlooking Resende Beach, Barracuda Hotel & Villas offers a new hospitality concept in Itacaré.

Created by the same group of owners who opened Barracuda Boutique, a hotel that has been part of the community since 2013, this new hotel is a haven in complete harmony with its surroundings. It provides a unique connection with the local nature that envelops the hotel and the vibrant energy of Bahia.

The combination of exclusivity and luxury service, in the midst of a uniuertown in history and culture, sets the tone for the hospitality offered by The Barracuda.

Cultural integration, design, wellness, local cuisine and adventure are all part of the experience.
