

Aero

The Perks of Flying Private

Book by the seat, no membership fees

[About Aero](#)

[Private & Confidential](#)

Introducing A Better Way to Travel

The Aero Experience is available without the hassle of a jet card, membership fees, or other costs associated with flying private.

Testimonial

“They provide all of the benefits and flexibility of private air travel at a more accessible cost.”

– VANITY FAIR

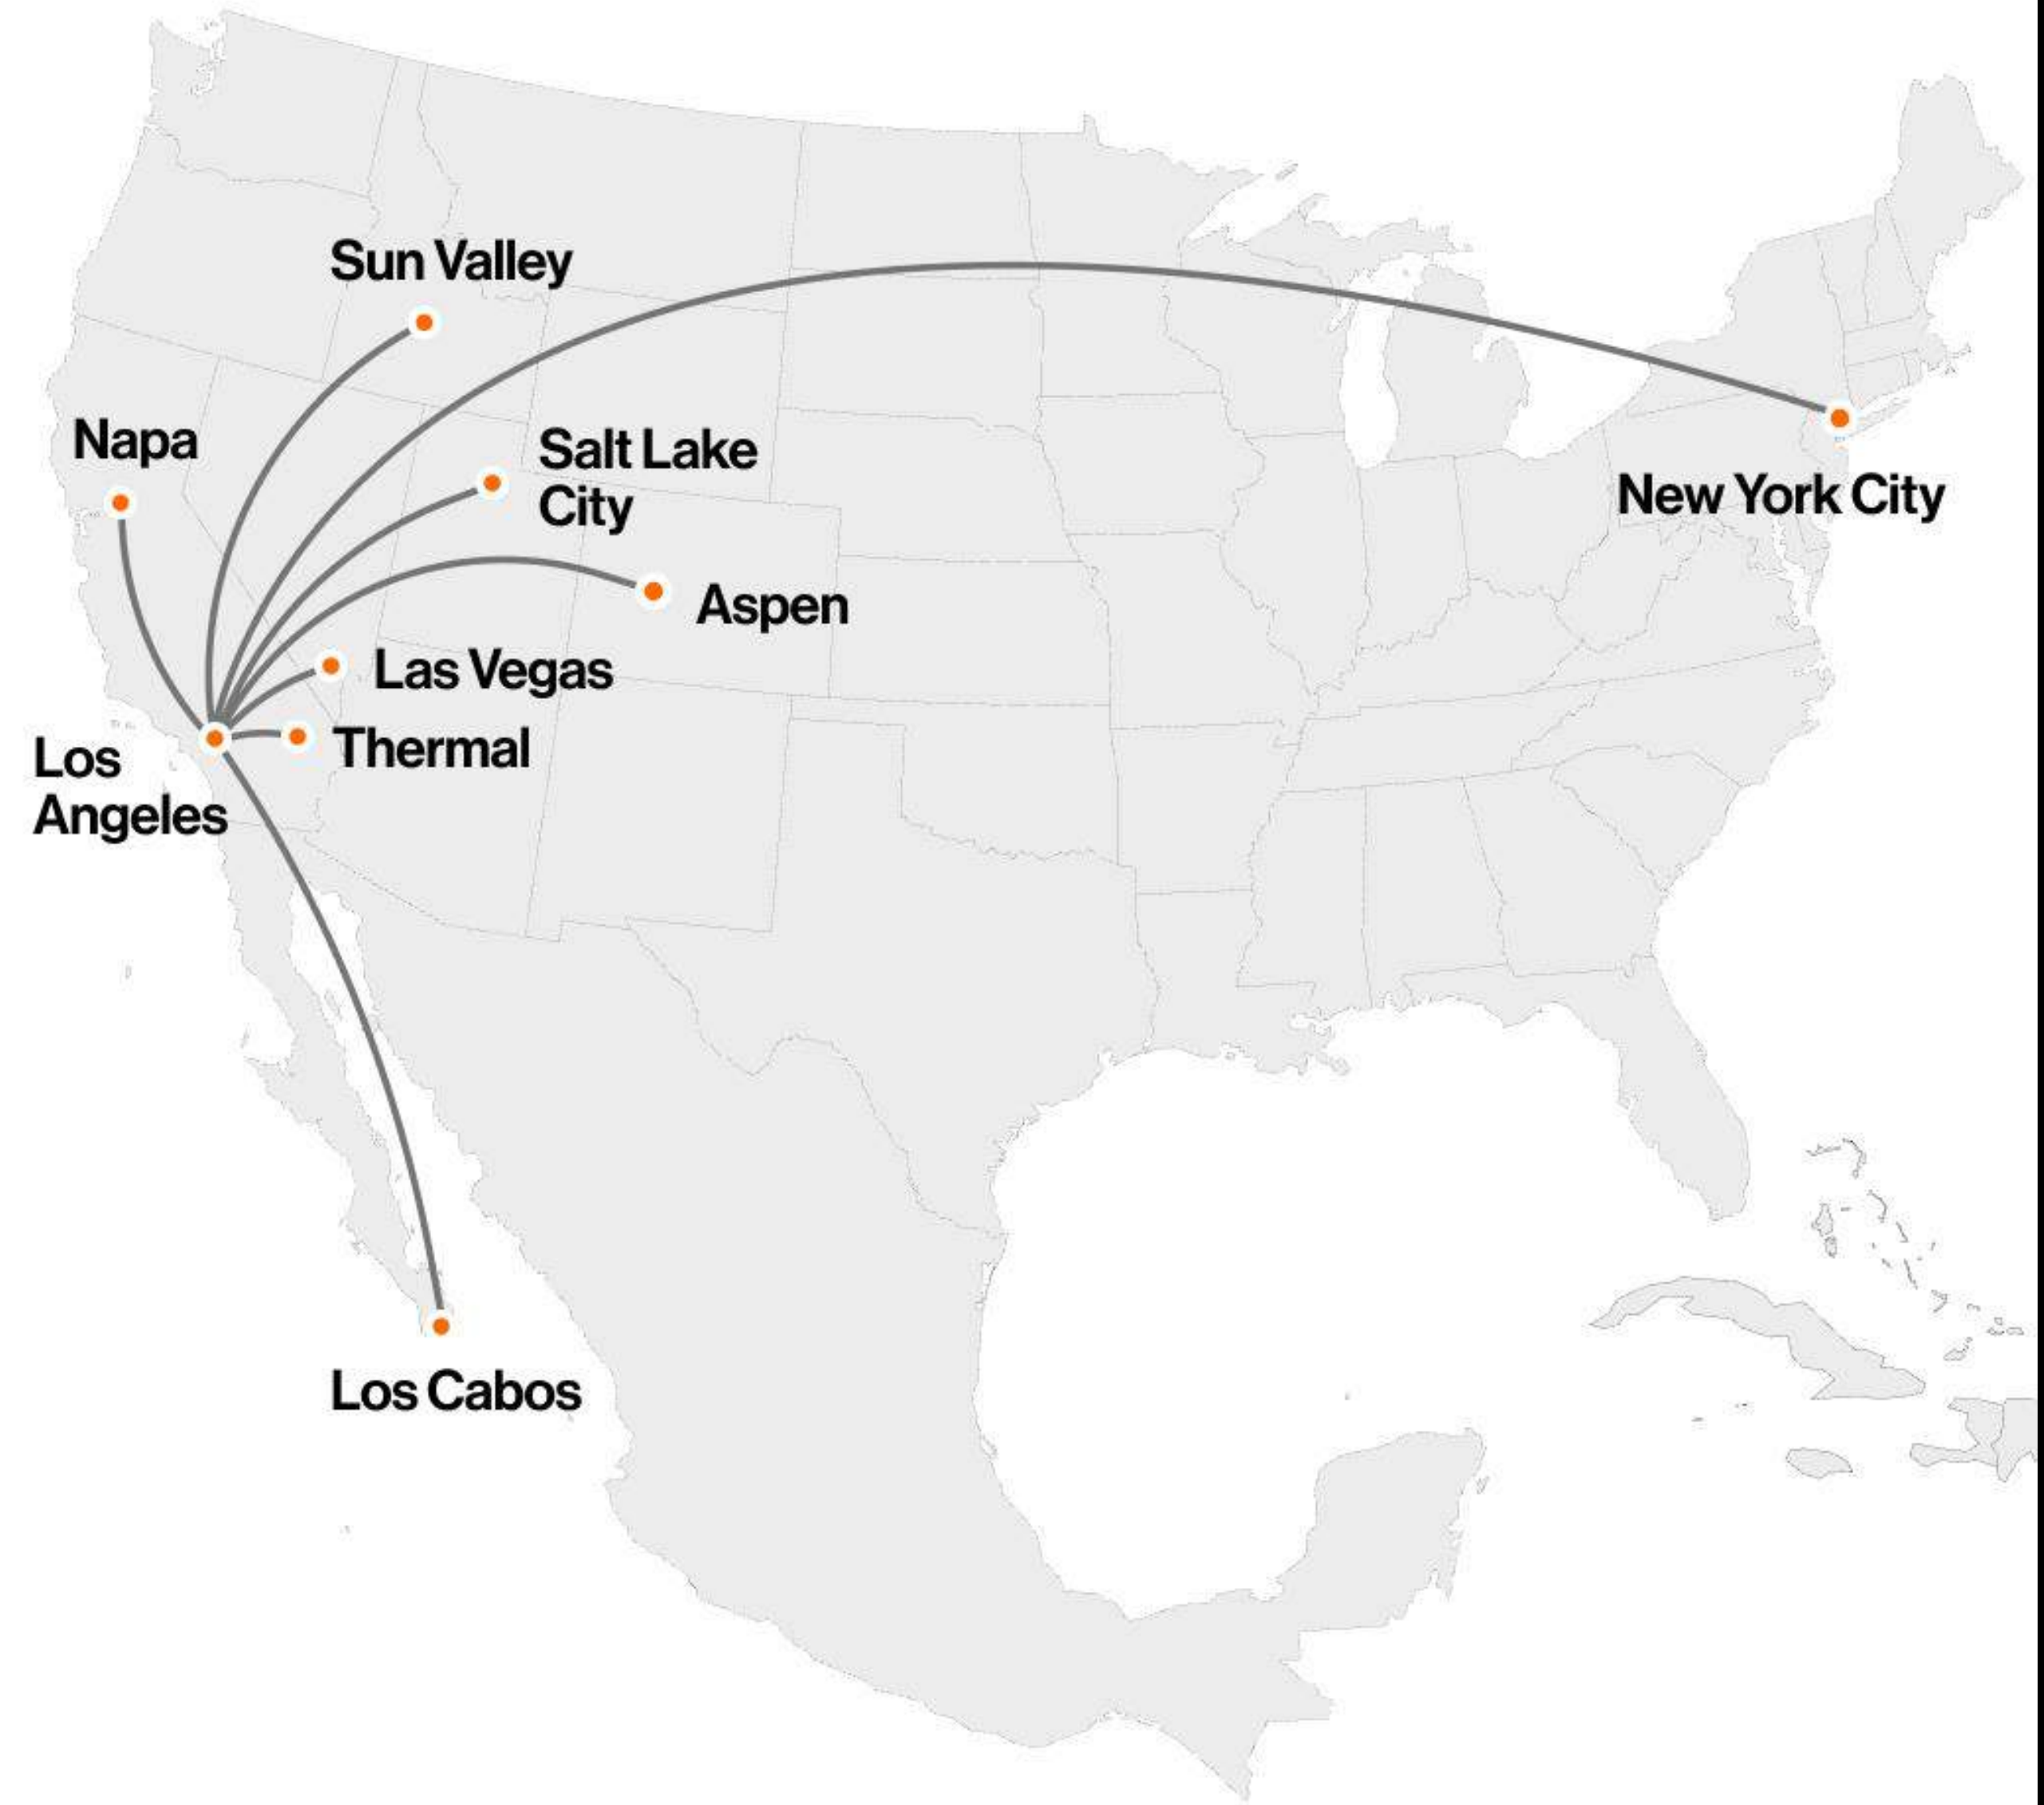

From Curbside to Cloud Nine

Aero is reimagining air travel so people can fall in love with flying again.

Every touchpoint has been carefully curated to enhance our guests' journey – private terminals that eliminate the hassle of commercial airports, spacious flights with only 16 guests, and premium amenities that make our guests feel rejuvenated upon arrival.

Nonstop Flights Between Private Terminals

New Route: LA to NYC

Starting Spring 2025, Aero is jetting between private terminals at Van Nuys Airport and a New York City airport just 12 miles from Midtown Manhattan—away from the stress of JFK or Newark.

- Jet on Legacy 600 with business jet configuration and only 10 seats
- Check in up to 20 minutes before takeoff
- Never miss a Zoom or email with Starlink Wi-Fi
- Bypass delays and congestion at commercial airports
- Rely on 24/7 Concierge to arrange car services

Login to view full flight details at [Aero.com](https://aero.com)

Flight Schedule

From \$4,950 each way

Mondays

- Depart from Los Angeles at 7:30am PT
- Arrive in New York City at 3:40pm ET

Thursdays

- Depart from New York City at 3:00pm ET
- Arrive in Los Angeles at 6:05pm PT

“I’ve done a lot of traveling in my life, and I’ve never experienced transportation quite like Aero. Exceptional service, luxurious terminal, high quality amenities, top notch staff... This is the only way to fly. Why would anyone fly private if they could fly Aero?!”

— Guest traveling to Aspen

Beyond First Class

Aero has created a class of its own by merging world-class hospitality and the experience of flying private.

1

Save Time

Curbside check-in up to 20 minutes before departure, crowd-free private terminals, and luggage available within 10 minutes of arrival.

2

Fly in Comfort

Hand-stitched Italian leather loungers with double the legroom to stretch out, plus a window and aisle at every seat for maximum personal space.

3

Curated Amenities

Premium open bar and complimentary culinary offerings from iconic local partners like Erewhon.

4

5-Star Service

Concierge Team available 24/7 via email, phone, or text to assist with reservations, car service, and more.

Our Jets: Embraer ERJ 135

We completely redesigned the ERJ 135 to create a refined 16-seat jet experience, providing maximum comfort and personal space.

- Custom-designed interiors with a 1x1 seating configuration
- Window and aisle at every seat
- Oversized Italian leather seats with generous legroom
- Dynamic mood lighting and noise-reducing suede walls
- State-of-the-art sound system

“These flights are as good as it gets when it comes to efficiency, personal safety, comfort, and overall luxury.”

— **Men's Health**

- Enjoy leisurely activities like bike riding, golf, and winter sports
- Are actively involved in philanthropy and the arts

Our Partners

Group Getaways

Traveling in groups has never been easier.

In addition to its book-by-the-seat service, Aero offers three travel solutions to simplify flying with multiple guests.

- **Group Travel**
- **Charters by Aero**
- **Aero Private**

Group Travel

“Aero provides first class service....very close to flying totally private. Every aspect of the flight makes you feel well taken care of.”

— Guest traveling to Cabo

1

Exclusive Fares

Discounted rates are available for reservations of seven or more guests flying on our scheduled service.

2

Seamless Service

Our dedicated Group Travel team is available 24/7 to assist with every detail, from car services to customs.

3

Flexible Check-In

Our flexible check-in time caters to every kind of traveler – arrive one hour or 20 minutes to departure.

4

Milestone Celebrations

Group packages help guests celebrate big moments like birthdays, wedding parties, reunions, and more.

Charters by Aero

With Aero, gain access to a team of charter experts with strong industry ties to ensure every touchpoint is taken care of.

1

The Power of Choice

From decals on the jet exterior to customized catering with esteemed partners like Erewhon, our experience team will help make your journey extra special and personalized.

2

Seamless Service

Our flight team goes through rigorous training: Aircare (safety), British Butler Institute (high-end service), and our own in-house program for additional safety and experience standards.

3

24/7 Client Support

Our dedicated team works with brokers and private clients around the clock, providing consistent communication for short and long-term charters.

4

Fit for Every Occasion

Whether needing to fly on short notice or to transit between remote cities, our charters are ideal for touring artists, corporate retreats, brand trips, milestone celebrations, and more.

Aero Private™

An exclusive travel experience for your community to kickstart your next retreat, private event, music festival, or more.

CASE STUDIES

- Company Retreats
- Milestone Celebrations
- Sporting Events
- Music Festivals
- Music Tours
- Weddings
- Family Reunions

Streamlined Travel Solution

- Finance the jet ahead of time and receive a reimbursement per seat sold.
- Control the guest list, the price per seat, the routes, and the flight times.
- Let Aero handle the booking flow, payment, concierge assistance, and luxury end-to-end flying experience.

Safety Standards

Aero holds itself to the highest safety standards, mirroring many of the requirements governing commercial airlines operating larger and heavier jets, regulated under Part 121 of the Code of Federal Regulations.

We are proud to have an AR/GUS Platinum Certification, a robust Safety Management System (SMS) powered by Polaris Aero, and Flight Operations Quality Assurance (FOQA) in partnership with General Electric to track, analyze, and trend key operational safety metrics for all flights.
