

*On the northern shore of the island of St Barthélemy, the road plunges down to a secluded bay, embracing the sea. It is in this unique environment that the 5-star Christopher Hotel hoisted its sails. Nestled in the heart of a tropical garden, the hotel's 42 spacious, light-filled rooms and suites and the 4 Villas all have exceptional views of the ocean. Imagine a large house with timeless, elegant design in the style of a contemporary loft... An ideal retreat, hip and casual, so easygoing for its guests that they feel right at home the minute they arrive.*
