

Clark Transfer Arrangements

On behalf of our resort in the Pamalican Islands. We are writing to inform you of an important update regarding the flights from Manila to Pamalican schedule from 31 March 2026. Due to forthcoming enhancements at Ninoy Aquino International Airport, there will be adjustments in the flight operations of our travel partner, Island Aviation Inc. The nearest alternative international airport, Clark is as a gateway to the Philippines and is served by several international carriers. The modern airport is located 116 km, or approximately two hours by land from Manila.
