The Experience

The ethereal archipelago of the Maldives, spanning over 107,500 sq.m of the turquoise Indian Ocean, is renowned the world over for its breath-taking tropical islands surrounded by atolls, lagoons and exotic marine life.

Experience these rare and precious waters on board Norma, an Azimut Flybridge 66, the most technologically advanced cruiser in the world. Norma is perfect for exploring the wonders of the Maldives, making truly magical memories.

Norma embodies the same dignified opulence of her namesake, fuelled by a sense of unbridled exploration; appointed with state of the art modern conveniences, lavish cabins and spacious decks that comfortably accommodate up to eight guests. The renowned St. Regis hospitality extends onto Norma, as our guests find their every on-board need catered to by an impeccable and dedicated crew.

The Heritage

Norma takes her name from Nourmahal, a 250-foot yacht owned by John Jacob Astor IV, the legendary, fun-loving founder of St. Regis. It was often said that John Jacob Astor IV spent his happiest memories on board Nourmahal with his son, Vincent. A spectacular sight whether in Caribbean or America waters, Nourmahal stayed true to the Astors' well-known ethos of living life to the full. The yacht soon became known as an indulgent floating playground for society's crème de la crème, a wonderful place where the cares of the shore were left far behind.

Norma may be chartered for relaxing day trips, complemented by a diverse array of four and eight hour excursions, such as snorkelling, dolphin watching, tours of local islands, sunset cruises paired with delectable refreshments, and more.

To truly experience the pinnacle of exceptional maritime luxury, Norma may be chartered for memorable celebrations or intimate getaways, complete with romantic meals, champagne sabering at sunset and anything else the heart desires.

We invite you to follow in the pioneering footsteps of the Astors and create priceless memories on-board Norma.
