Constance Ephelia Seychelles Renovation Works 2026

Subject: Update – Extension of Renovation Closure | Constance Ephelia Seychelles

Dear Valued Partners,

Following our previous communication regarding the renovation works at **Constance Ephelia Seychelles**, we would like to share an important update.

Due to adjustments to the renovation schedule, the sales closure period for the room categories scheduled for renovation (**Senior Suites and One-Bedroom Beach Villas**) has been extended **until 16 December 2026**.

The situation will be reassessed in June/July 2026, with the intention of reopening sales earlier, subject to site readiness and the absence of any disturbances.

We will continue to keep you informed of the project's progress and look forward to welcoming your guests to experience these exciting enhancements very soon.

Thank you for your continued trust and partnership.

Kind Regards,

Constance Hospitality Management Limited
