

## ADDENDUM TO JOALI Maldives | Contract 2025-2026

We would like to inform you of an important update to the Terms & Conditions of the JOALI Maldives Contract 2025-2026.

As part of our ongoing contractual review process and in line with standard industry practice, two additional clauses will be incorporated into the agreement to further formalise the legal framework governing our partnership and to ensure clarity in matters relating to jurisdiction and guest protection coverage.

### Newly Added Clauses

The following provisions will be added to the Terms & Conditions section of the existing agreement:

#### •Governing Law & Jurisdiction

This Agreement shall be governed by and construed in accordance with the laws of the Republic of Maldives and the Parties submit to the non-exclusive jurisdiction of the competent courts of law in the Maldives.

#### •Insurance

The Tour Operator shall, at its own expense, procure and maintain adequate travel or guest protection insurance covering for any losses, including those arising from cancellations, delays, or other unforeseen events. Such insurance shall ensure that guests are compensated directly, and the Resort shall not be liable for any claims, costs, or losses covered by the insurance.

Please note that these additions serve to clarify legal and operational responsibilities between both parties and will apply to all bookings and contractual dealings moving forward under the JOALI Maldives Contract 2025-2026.

We kindly request your acknowledgement of this addendum. Please arrange for an authorised signatory to sign and return a copy of this addendum to JOALI Maldives.

Thank you for your ongoing partnership and support.
