HELICOPTER TRANSFERS

Miavana operates one Robinson Turbine R66 helicopter, which takes a maximum of 3 passengers and flies with one pilot, and one Airbus H130 helicopter, which seats up to 6 passengers and one pilot. Infants aged 1 to 23 months can be seated on parents' laps. Children aged 2 years and over must occupy their own seat under adult supervision. Helicopter seats operate with a maximum weight allowance, please ensure that you share each passenger's weight prior to arrival, so that our pilots may calculate the totals accurately. Should a passenger exceed the maximum weight allowance, a second seat may be charged. Unless specifically booked, all helicopter transfers may be shared. The specific helicopters used for each routing are determined by our operations team.

HELICOPTER TRANSFERS CONTINUED

Arrival and departure helicopter flights to / from Miavana are best routed through Diego Suarez or Nosy Be but helicopter transfers to / from other areas in Northern Madagascar can be arranged. Prior to your arrival, please discuss preferred arrival / departure times with your Travel Designer. Our helicopters strictly operate during daylight hours. If for any reason guests are delayed on / off the island, Time + Tide cannot be held responsible if guests are unable to get to Miavana / mainland Madagascar. Helicopter transfer times may be adjusted in line with the operational helicopter schedule. Finalised arrival transfer times will be confirmed no later than 14 days prior to arrival. Departure transfer times will be confirmed directly to guests while on the island. Any forced overnights are for the agent's / guests' account.

HELICOPTER ADVENTURES

For guided excursions, a private guide will accompany guests in the helicopter. Therefore, maximum capacity is 2 passengers in the R66 helicopter and 5 passengers in the H130 helicopter. Helicopter adventures are subject to availability. Due to other guest transfers and weather conditions, timing for any pre-booked helicopter adventures will only be confirmed on-island.

LUGGAGE

Maximum luggage weight of 20kg (44lbs) + small handbag of 5kg (11lbs) per person. Soft sided luggage is required due to storage hold size limitations of the helicopters. Excess luggage is not guaranteed to be brought to Miavana and if guests want to guarantee excess luggage they should inform the company well in advance. There will be an additional cost charged for the guests' account. Alternatively, please enquire before arrival for excess luggage storage at Diego Suarez or Nosy Be International Airports.
