DISCOVER THE LATEST AT MANDARINA

KIDSONLY CLUB

Explore our open-air 42,000-square-foot adventure playground, featuring enchanting treehouses, suspended bridges, and winding trails, where children are immersed in nature and have a world of their own. The wonders of Mandarinina are brought to life at the KidsOnly Club through hands-on activities and exploration, with multi-sensory areas including a Butterfly Farm and a dedicated on-site biologist, inspiring imaginations to run wild and fulfilling childhood dreams.

NEW PRIVATE HOMES

Our Private Homes collection welcomes two new exclusive residences, Private Home 05 (six rooms) and Private Home 08 (four rooms). Thoughtfully designed to embrace Mandarinina's dramatic terrain and sweeping ocean views, these additional homes offer elevated privacy, expansive living spaces and effortless comfort.

TREETOP ACTIVATIONS

Social moments unfold above the jungle canopy through a curated sequence of activations at The Treetop. Guest bartenders bring fresh perspectives behind the bar, while Pineapple Hour offers a weekly gathering with cocktails crafted with Delta Gin made using organic pineapples.

SIGNATURE GASTRONOMIC EXPERIENCES

Monthly winemaker dinners invite intimate evenings of inspired pairings and shared narratives, while the Barbecue at the Beach introduces a vibrant open-fire experience set to the rhythm of the Pacific. At Carao, the Taco Bar Experience offers a spirited expression of Mexican flavours, reimagined through Mandarinina's refined yet soulful lens.

MANDARINA EXPERIENCES

Beyond the resort, Mandarinina unfolds as a destination of movement and discovery. Seasonal polo matches, horseback riding and polo lessons await at the Mandarinina Polo & Equestrian Club, while the Mandarinina Golf Club, designed by renowned golfer Greg Norman, offers a world-class course shaped by the natural landscape.

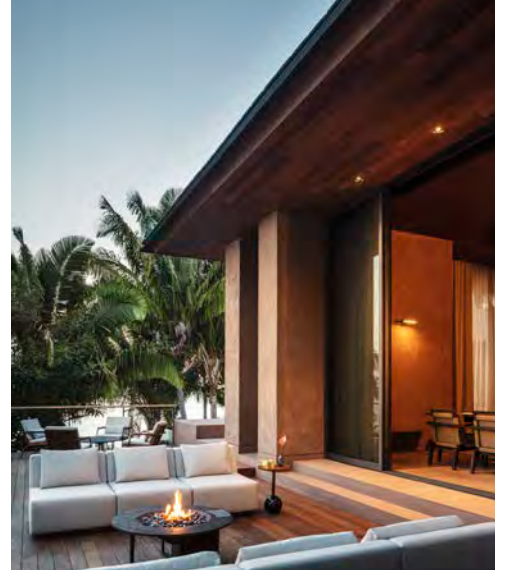

CONDESA GIN POP-UP — COMING SOON

A spirited collaboration launching soon at Jetty Beach Club with the upcoming Condesa Gin Pop-Up. Inspired by Mexico City's creative energy, this limited-time concept will introduce bespoke cocktails, refined botanicals and a playful yet sophisticated atmosphere within the resort.
