Our mission

Twenty-nine years in the making, Soho House is a place for creatives to come together and belong, with more than 40 Houses around the world.

WHO ARE WE

We are a global company that prides itself in taking care of its members. We value collaboration to build a sense of belonging, simplicity in everything we do, showing kindness at every opportunity, and inspiring passion. From spas and screening rooms to bedrooms, our Houses offer a variety of spaces to suit every occasion.

OUR HOUSES

Since opening Soho House 40 Greek Street in 1995, we now have over 40 Houses – 28 of which have bedrooms – in 14 countries, with more openings on the horizon. Within our global collection, we also manage The Ned in London, New York and Doha; The LINE Hotels in Austin, Los Angeles, Washington D.C. and San Francisco; and The Saguaro Palm Springs, all of which have bedrooms.
