

Dear Partners,

Please be advised that essential maintenance at the arrival (north side) jetty of COMO Cocoa Island is scheduled to take place from April 26<sup>th</sup> to July 31<sup>st</sup> 2026, as part of our ongoing infrastructure maintenance program.

During this period:

- Arrival and departure procedures may follow temporary routing adjustments to house reef (south side) jetty, without any changes on the schedules or timings
- All guest facilities, dining venues, wellness services, and experiences will remain fully operational
- Our on-island team will manage all logistics to ensure smooth movement for guests
- A section of the island next to the arrival (north side) jetty will be closed to accommodate respective supplies and machinery for the maintenance works

The works will be carried out with minimal visual and noise impact, and there is no expected disruption to the overall guest stay experience.
