

KITE SURF | WATER TOYS

Available from 1 July 2026

Explore. Glide. Soar.

With the introduction of kite surfing and a wide range of water toys, Fanjove takes on the feel of a private luxury yacht, offering guests a blend of fun, sport and exploration.

Kite surf

Kite surfing arrives on Fanjove, a natural match for the island's ideal conditions. Beginners can rely on a highly qualified instructor, and advanced riders can rent equipment on site.

Equipment rental - 3 hours US\$ 100 | Private lesson (equipment included) 100 USD per hour

Taiga P2 Jet Ski

Electric and whisper quiet, this jet ski leaves marine life undisturbed. It offers a sporty, fluid ride perfectly suited to protected waters.

30 minutes, US\$ 200

Manta Hydrofoil Water Bike

A lightweight watercraft that lets you glide across the surface or rise above it thanks to its integrated foil. Intuitive and responsive, it delivers pure exhilaration and a true sense of freedom.

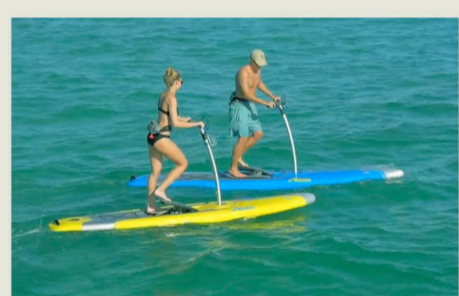

1 hour, US\$ 50

Underwater Scooter

A compact underwater scooter for effortless exploration while freediving or snorkeling. Perfect for observing Fanjove' marine life in complete calm, with instant, intuitive control.

1 hour, US\$ 50

Hobie Pedalboard

A stand-up paddleboard equipped with a pedal drive system. Stable and playful, it lets you move quickly while keeping your hands free. A gentle activity, ideal for a morning warm up.

1 hour, US\$ 50

SiFly Rider (E foil)

A new generation e foil that's both accessible and stable, allowing you to fly above the water with silent electric propulsion. Thrills guaranteed, even for beginners, with quick and intuitive handling.

30 minutes, US\$ 150

Jet Surf

A compact motorized board that lets you surf without waves. Lively and sporty, it's ideal for thrill seekers.

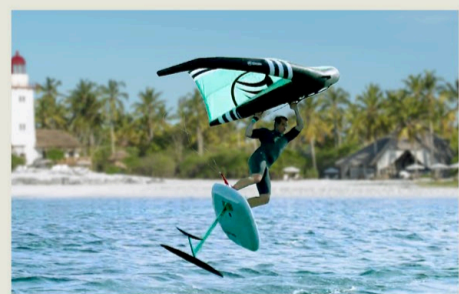

30 minutes, US\$ 150

Transparent Paddleboard

A fully transparent paddleboard revealing the underwater world beneath you - a calm, contemplative activity ideal for Fanjove' clear waters.

Complimentary

Wing Foil

A hybrid discipline combining a board and an inflatable wing. Accessible and playful, it lets you ride gently with the wind or lift onto the foil for a true flying sensation.

Complimentary | Private lesson 30 minutes, US\$ 50

Wakeboard

Towed behind a boat, wakeboarding offers a fast, lively glide. Ideal for active guests looking for an energetic session or wanting to try their hand at a few stylish tricks.

30 minutes, US\$ 50

Flitescooter

An ultra stable e-foil with a handlebar, created for beginners and families. Easy to master in minutes, it allows effortless, safe flight above the water - a truly accessible experience for everyone.

30 minutes, US\$ 150

Our Water Sports team is available to guide you as you get started with these toys. Reservations can only be made on site and remain subject to weather conditions and availability. Prices are subject to reconfirmation at the time of booking. For further information, please contact our Reservations team.
