## ADDENDUM TO JOALI BEING | Contract 2025 – 2026

We would like to inform you of important updates to the JOALI BEING Wholesale Contract 2025-2026.

As part of our ongoing contractual review, the following amendments will be incorporated into the agreement. These updates reflect changes to our Multi-Bedroom Villas & Residence Benefits package and the CIP transfer pricing structure.

### Amendment to Section 5 – Multi-Bedroom Villas & Residence Benefits

Please be advised that the following benefit has been removed from the Four-Bedroom Beach Residence with Two Pools, Three-Bedroom Wellbeing Beach Pool Residence, and Four-Bedroom Wellbeing Ocean Pool Residence package, effective 01 May 2026.

Removed: Complimentary CIP arrival and departure as per base occupancy.

This amendment supersedes the corresponding provision in the existing contract. All other benefits under Section 5 remain unchanged.

### Amendment to Section 7 – CIP Transfer Pricing

The CIP One-Way transfer rates listed in the contract are hereby replaced in full with the following updated pricing, effective 01 May 2026.

Period	Adults	Kids (2-12 yrs)
01 Jan 2026 - 31 Oct 2026	USD 460	USD 336
01 Nov 2026 - 31 Mar 2027	USD 670	USD 500

All rates are per person and inclusive of taxes. Children under 2 years are complimentary.

This supersedes all previously listed CIP rates in the contract.

Please note that these amendments will apply to all bookings and contractual dealings moving forward under the JOALI BEING Contract 2025-2026.

We kindly request your acknowledgement of this addendum. Please arrange for an authorised signatory to sign and return a copy of this addendum to JOALI BEING.

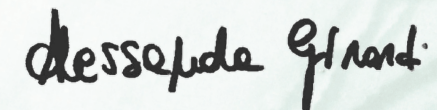

Thank you for your attention and support.
