

Casona Sforza opens its doors in December 2020, bringing to life a vision where hospitality, community, and sustainability coexist in harmony. Every detail reflects the essence of Pueblo del Sol: locally crafted furniture, ceramics, coffee, and handmade cosmetics.

More than a hotel, Casona Sforza is conceived as a living project, a home for all, rooted in human connection and conscious living. Its purpose is simple yet profound: to become your second home.

AWARDS & RECOGNITION

Best Boutique Hotel in Mexico 2025 - MexBest
Michelin Guide Key Distinction - 2024 & 2025

GASTRONOMY

Recognized by the Michelin Guide, La Bóveda Restaurant presents a culinary experience inspired by the natural flavors and aromas of the region.

Led by Andrés Trujillo and Vanessa Franco, the restaurant offers an honest cuisine where land and sea take center stage in every dish—crafted with intention, technique, and deep respect for local ingredients.

WELLNESS

Casona Sforza's wellness philosophy is rooted in holistic transformation, creating space to reconnect, restore, and rebalance.

Massages

A curated selection including Reiki, Deep Tissue, Holistic, and Decontracting massages. Available by the sea or in-suite (for guests only).

Sauna & Ice Bath

A contrast therapy experience designed to stimulate circulation, detoxify, and energize the body.

Yoga Classes

Mindful flows focused on strength, mobility, breathwork, and inner balance, leaving guests centered and energized.

Cacao Ceremony

A guided ritual to open the heart, enhance clarity, and cultivate emotional balance through intention and meditation.

Sound Healing

Immersive sound journeys using bowls and gongs to release tension, improve sleep, and restore inner harmony.

CONCEPT & PHILOSOPHY

Casona Sforza is deeply connected to Pueblo del Sol, a project that integrates craftsmanship, local production, and community development into the guest experience. Every element, from materials to rituals, embodies a commitment to sustainability, authenticity, and meaningful hospitality.

TOURS & EXPERIENCES

From Casona Sforza, guests can explore the natural and cultural richness of Oaxaca's coast through curated experiences:

- Horseback riding along the beach
- Whale watching and marine life observation
- Private romantic dinners
- Sea turtle release
- Excursions to Mazunte, Zipolite, and Punta Cometa
- Experiences at Laguna de Manialtepec

Each experience is designed to connect visitors with the wild essence of Puerto Escondido and its unique landscapes.
