VIP WELCOME AND FAST TRACK SERVICES AT BANGKOK'S SUVARNABHUMI AIRPORT

Chiva-Som can also arrange a VIP airport welcome. This service is particularly appreciated after a long flight, whereby a personal porter and hostess will meet you at the disembarkation airbridge and guide you all the way to your transportation. This includes taking you through immigration and luggage collection. For your return flight, you will be welcomed at the drop-off area and escorted through to the departure gates.

THB 2,800 per person each way

BUGGY AT SUVARNABHUMI AIRPORT

Additionally on arrival, as an alternate to walking, we can arrange a buggy (golf cart) transfer from the disembarkation airbridge to immigration. This service requires 12 hours' prior notice in the case of cancellation and a 100% charge will be applied if cancellation is made less than 12 hours in advance. This service is available for arriving passengers only.

THB 1,800 per person (maximum of 4 passengers)
